ORION 11j
ERP SUITE

**Enterprise Excellence Unleashed
With Insight and Innovation**

In an intensively competitive landscape, your business needs to simultaneously drive growth and sustain competitive advantage. Aligning your business segments to work together and achieve peak performance is daunting. Global competition, forces of market consolidation, high stakeholder expectations, talent crunch and compliance mandates challenge your quest for revenues and profitability.

You need a powerful foundation to build agile business processes for now and the future. You need industry-specific solutions to provide the right business insights that enable operational excellence and innovation. And you need an expert partner who understands your business and works for your success.
Modules of multi-faceted excellence

Designed and architected with customer-centric design philosophies, ORION11j is a fully integrated multi-user, enterprise solution that delivers powerful functionalities you need to gain a sustainable and competitive advantage. Through seamless interaction between modules, ORION11j enables sharper decision-making and facilitates greater control over business processes - in the most cost-effective manner.

- Reduced operational costs

"SUCCESS STORY"

ORION Enterprise Suite integrates group-wide functional operations for Saudi Arabia's leading commercial giant

The client, a diversified conglomerate of more than 30 operating companies had a massive scale of operations. Due to the mammoth size of the group, having a simple yet scalable solution that would integrate all operations across finance, manufacturing, sales, supply chain management, retail, contracting, human resource & payroll management was critical. The ORION Enterprise Suite enabled the conglomerate to simplify its business through a single application.
